

# COPPER RIDGE SECURITY

Federal Cybersecurity | RMF/ATO | FedRAMP  
| CMMC | FISMA

DoD SECRET CLEARANCE

Washington, DC Metro

**About:** Copper Ridge Security delivers ISSO/ISSM services, RMF authorization support, and hands-on cybersecurity implementation for prime contractors and federal programs. We specialize in translating complex compliance requirements into audit-ready documentation and operational security controls, reducing risk and accelerating assessment timelines.

**Focused Offer:** Audit-ready compliance documentation plus hands-on security implementation for federal systems.

## Core Competencies

### RMF and Authorization Support

- Full RMF lifecycle: SSP, SAR, RAR, POA&M, evidence packages
- Security Control Assessment (SCA) and FISMA compliance
- ATO preparation, continuous monitoring, reauthorization
- Privacy Impact Assessments (PIA) and privacy threshold analysis

### CMMC and NIST Compliance

- CMMC readiness and NIST SP 800-171 (110 controls)
- NIST 800-53 control implementation and assessment
- NIST CSF mapping and gap analysis
- DFARS 252.204-7012 compliance support
- FedRAMP advisory and evidence development

### Security Operations and Architecture

- Security architecture design (cloud and on-prem)
- Zero Trust implementation and planning
- Vulnerability assessment and remediation tracking
- SIEM deployment, tuning and governance
- Incident response and BC/DR planning
- Third-party risk management (TPRM)

## Past Performance

### Federal Agency Support:

- U.S. Army - AVCAD Program (DoD chemical detection)
- DHS / TSA - Security program support
- CISA - CDM program compliance support

## Tools and Platforms

Category	Tools
GRC	eMASS, CSAM, ServiceNow GRC, Archer
SIEM	Splunk, Microsoft Sentinel
Vulnerability	Tenable, Nessus, Qualys
EDR	CrowdStrike, Carbon Black, Defender
Hardening	SCAP/STIG compliance scanning
Cloud	AWS GovCloud, Azure Government

## Differentiators

- Active DoD Secret clearance (personnel)
- 10+ years federal cybersecurity and compliance delivery
- ISSO and ISSM experience across multiple programs
- Security Control Assessor (SCA) qualified
- Prime pedigree: Deloitte, Booz Allen Hamilton, Guidehouse

## Quantified Outcomes

- 30-50% SIEM ingestion reduction via tuning and governance
- Delivered complete A&A packages (SSP/SAR/RAR/POA&M)
- Assessment readiness with remediation tracking
- ISO 27001 and SOC 2 audit support

## Compliance Frameworks

NIST 800-53 | NIST 800-171 | NIST CSF |  
NIST AI RMF | FISMA | FedRAMP |  
CMMC | cATO | OSCAL | DFARS 7012 |  
ISO 27001 | SOC 2

## NAICS Codes

- 541512 - Computer Systems Design Services
- 541519 - Other Computer Related Services
- 541611 - Admin and General Mgmt Consulting
- 541690 - Other Scientific and Technical Consulting

## Business Data

- UEI: Pending SAM.gov registration
- CAGE: Pending SAM.gov registration
- Size: Small Business
